Security Window 600 Series - Flushmount Model

State of Florida & Miami-Dade Approved – Impact & Non-Impact

Introducing the only completely modular security drive-thru system designed to meet your specific security needs. With options including a selection of security glazing and two different operating methods, this window is adaptable to your level of security needs.

- **The 600 Series has a moveable Service Panel.** This offers the option of serving customers personally. The service panel self latches each time it closes and features a deadbolt lock for complete security during closed hours.
- **Three different Operating Methods:** Manual Open/Self Closing, Fully Automatic Electric, and Manual Open/Electronic Release (M.O.E.R.)

- **600 Series Window Dimensions:**
47-1/2"W x 43-1/2"H x 4-1/2"D
47-1/2"W x 35-3/4"H x 4-1/2"D
- **Finish.** This unit is currently available in clear anodized aluminum or can be powder coat painted in a rainbow of color choices. Bronze anodized is also now available.
- **Fully Assembled, Ready to Install.** Ready Access windows are shipped completely preassembled, and fully glazed for lower installation costs. Normal installation takes less than two hours.
- **Warranty and Service Support.** Your Ready Access window comes with a one year limited warranty on parts and labor. In addition, each window is backed by a world wide service organization.

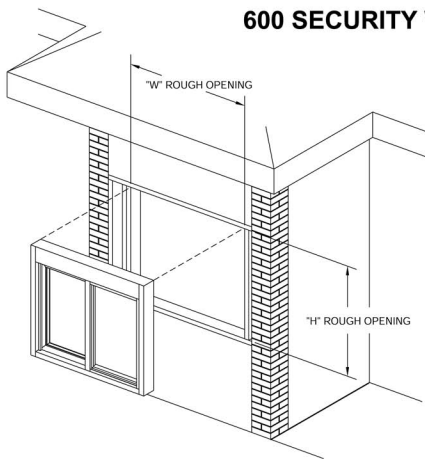

GLASS OPTIONS:

- **3/4" Insulated Glass:** Increases energy efficiency by providing a barrier against outside environmental factors such as heat and cold. Glass can be tinted.
- **Impact Resistant Glazing:** Offers protection against "smash & grab" theft and forced entry.
- **Level 1 Bullet Resistant Glazing:** Offers protection against "smash & grab" theft, forced entry, and gun shots. Glazing is recognized by Underwriters Laboratories as providing Level 1 (9mm) protection per UL Standard 752.

ARRIVES READY FOR INSTALLATION

Your Ready Access window is shipped completely assembled and ready for installation. Comes with instructions.
