375 DOUBLE PANEL SLIDER

The new 375 Double Panel Slider features a large service opening. The 26" wide service opening is ideal for pizza, groceries, fast food and many other applications, while the innovative telescoping doors allow for a slim 47 1/2" wide frame.

PRODUCT DESCRIPTIONS

- **Large 26"W x 26"H Service Opening**
Perfect for virtually any size order. (26"W x 34"H and 26"W x 20"H service opening sizes also available).
- **2 Modes of Operation - Manual**
To operate simply release the thumb-latch and pull the door open. The telescoping doors will slide open effortlessly. To close simply pull the door back to its closed position until the thumb-latch engages.
- M.O.E.R. (Manual Open / Electronic Release)
The 375 Manual Open/Electronic Release has manual open, self closing operation which electro-magnetically holds the window open until the operator finishes their transaction and steps out of the presence of sensor. This unit is field adjustable to the length of time the window will stay open.
- **Quality Construction**
Anodized aluminum extrusions and 1/4" tempered glass combine to give you an attractive window that not only enhances building exteriors, but will not rust, pit or weather. Track free bottom sill provides for a contaminant free surface.
- **Unique Design**
Bottom sill is angled downward to provide protection against the elements such as rain, sleet, and snow.
- **Triple Security Locks**
The 375 Double Panel Slider automatically locks each time the window is closed, providing security when the window is left unattended. For night security you also have the thumbturn lock & night security bar.

- **Warranty and Service Support**
Your Ready Access window comes with a one year limited warranty on parts and labor provided by a worldwide service organization.
- **AVAILABLE OPTIONS**
The 375 Double Panel Slider is available in statuary bronze or clear anodized aluminum.

2 standard window dimensions available:
47 1/2"W x 43 1/2"H (26"W x 34"H service opening)
47 1/2"W x 35 3/4"H (26"W x 26"H service opening)

Right to left or left to right opening available (as seen from outside view).
- **CUSTOM OPTIONS**
Custom sizes are available to satisfy any unusual operations requirement or health department code.
Tinted glass is available upon request.
- **Fully Assembled, Ready to Install**
Ready Access windows are shipped completely preassembled, and fully glazed for lower installation costs. Normal installation takes less than two hours.
