BUMP OUT 48 DISPLAY WINDOW

"NEW" - The Ready Access Bump Out Display Window offers a panoramic view of cars and outside activity, along with three adjustable display shelves to assist in your point of purchase sales.

PRODUCT DESCRIPTIONS

- **Window Specifications**

47 1/2"W x 43 1/2"H with a 19 3/4" wide x 33" high service opening.
Three adjustable stainless steel shelves measure 18" wide x 8" deep.

- **Mode of Operation**

Manual Open/Self Closing

So simple to operate, the service door opens effortlessly and automatically slides shut when operator releases the handle.

- **Quality Construction**

Anodized aluminum extrusions, stainless steel and 1/4" tempered glass combine to give you an attractive window that not only enhances building exteriors, it will not rust, pit or weather. Track free bottom sill provides for a contaminant free surface.

- **Double Security Locks**

This unit automatically locks each time the window closes, providing security when the window is left unattended. When the drive-thru is closed, manual security locks help prevent outside entry. In high risk locations, an optional security bar set is available.

- **Fully Assembled, Ready to Install**

Ready Access windows are shipped completely preassembled, and fully glazed for lower installation costs. Normal installation takes less than two hours.

- **Warranty and Service Support**

Your Ready Access window comes with a one year limited warranty on parts and labor. Each window is backed by a worldwide service organization.

- **STANDARD OPTIONS**

This window is available in statuary bronze, or clear anodized aluminum.
Right to left or left to right opening available (as seen from outside view).

- **CUSTOM OPTIONS**

Tinted glass is available upon request.
Powder coat painting is available in a wide range of custom colors.
